ORDER:

The Board of Revenue is informed that officers belonging to Services like the Madras Revenue Subordinate Service, for which recruitment is made with the district as the unit, should continue in which they are recruited and on the establishments on which they are borne. Any adjustment in regard to the non-Andhras serving in the Andhra districts and the Andhras in the other districts could be made in due course by agreement between the two Governments. But, if a non-Andhra working in the Andhra districts or an Andhra in the non-Andhra districts makes an application even now for a transfer to the non-Andhra or the Andhra area, as the case may be, there is no objection for the transfer being made, if the Board finds it possible to accede to the request.
